

# Nanc Christopherson

National Teacher from Handi Quilter

November 17-21, 2010

**Beginner/Refresher Class**—There are three major quilting headaches and Nanc's HandiQuilter class is going to give you the remedy you need. 'Thread, Needles, & Tension' can make your quilting experience so much easier if you understand how they all work together, as a team, to create beautifully quilted items. Her class is full of tips and tricks of the trade for any level sewing adventure. Some things covered will be loading, cleaning, threading, bobbin winding, and the use of your machine screen. Class Fee: \$50.00 and includes supplies.

**Wed. Nov. 17 9:30-12:30 pm** *Beginner Level*

**Unique and Basic Rulers—Let's get ready to RULE!!!!** In this class Nanc will show you many awesome ways to use a variety of rulers. You will learn a lot of new ruler techniques. Class Fee: \$50.00 and includes supplies.

**Wed. Nov. 17 2:00-5:00 pm** *All Levels*

**Creating a T-Shirt Memory Quilt**—How many of you have a box of t-shirts stored in your house because they have too many memories to toss but no actual common daily use? Well it's time to get that box out and dust off the cover, because you're going to learn how to make an oh-so-wonderful and useful quilt out of all those fabulous memories you have collected. This may seem like a big project now but come to my class and you will have wished you had learned how to make a memory quilt years ago. Class Fee: \$30.00 and includes supplies. *Lecture/Demo All skill levels.*

**Thur. Nov. 18 9:30-12:30 pm**

**Pantographs & Groovy Boards**—You will learn proper laser set-up and proper placement of you pantograph or groovyboard. I will show you the art of following a pantograph with the laser and the correct way to follow a groovyboard. You will also learn the tricks to centering the designs edge to edge and how to re-align the next row after advancing your quilt. Class Fee: \$50.00 and includes supplies.

**Thur. Nov. 18 2:00-5:00 pm** *All levels.*

**How Do I Quilt my Quilt Top**—Don't be afraid to work on your quilt for fear that you might OVER quilt it!! Bring your quilt top with you and with the help of Nanc and the other students (including you) will come up with some great options! This is a lecture only class; there will be no quilting on your quilts. Just get ready for some great ideas using preview paper and dry erase markers.

Class Fee: \$25.00 plus your quilt top. *Lecture/Demo*

**Thur. Nov. 18 6:30-9:00 pm** *All skill levels*

**Quilt Cad Made Easy**—I will start from scratch with showing you how to keep Quilt Cad updated with the newest version. Then you will load a background picture to be digitized for quilting. From there you will sketch and edit your design for a perfect pattern. You do not need to own Quilt Cad to take the class, but after the class you will want to. Laptop is helpful. Class Fee:\$50.00.

**Fri. Nov. 19 10:00—4:00 pm** *All skill levels*

**Experimenting with Needles, Tension, Thread, and Microhandles**—I will have you using a variety of threads and learn how to determine the proper needle size and tension and when to use different threads in the bobbin. You will also work with thicker threads for bobbin work. After playing with all of the threads and needles, we will show you how great the microhandles are to apply those specialty threads to a sample project. Class Fee: \$100.00 and includes supplies.

**Sat. Nov. 20th 9:30-3:30 pm** *All skill levels*

**Blocking, Piecing, and Binding a Quilt on a Longarm Frame**—If you like paper-piecing you have just found the greatest new thing! This class will teach you how to build a quilt from the inside out until you have a beautiful layered quilt. This class will teach you how to complete a lovely centerpiece mat for your dining room table. You will have a completed mat to take home and enjoy or gift at your next party. We will be doing every piece of this mat on the quilting frame, EVEN the binding! You will also learn how to block a quilt without ever getting on your knees! Class Fee: \$50.00 plus supplies.

**Sun. Nov. 21 10:00-1:00 pm** *All skill levels*

**NOTE:** *If you sign up for 3 or more classes, receive a discount of \$5 per class.*

*Everyone will be sewing on their own machine.*
